

Jimmy Kimmel Live

Much love to Jimmy Kimmel as he shares the emotional and heartfelt story of his family's CHD journey with their newborn son 'Billy', born with Tetralogy of Fallot and Pulmonary Atresia.

A story that many people living with CHD, their parents and families and friends can relate to and understand.

A huge thank you to Jimmy Kimmel for the very powerful CHD Awareness and Advocacy story!

See as Dr. Oz explains about Tetralogy of Fallot to Jimmy Kimmel and some great insight into the incredible teams that perform these CHD surgeries.
